**It's that time again!!!**  
July 14th-18th, 2014

As spring rolls in, we look ahead to the coming summer and our VBS program themed "Living in God's Time" which will focus on the main seasons of the church like; Advent, Christmas, Lent etc... We are happy to send you and your child a special invitation to attend and in turn allow us the honor of being apart of their Christian education.

**We are delighted to welcome back Luther Road!**

Luther Road was an integral part of last summers program and it would not be the same without

them. The kids connected with them, our youth was inspired by

them, and our parents & volunteers loved the way in which they brought the message of Christ to life.

**Want to help...** Last year we were so blessed to have previous children from the program, their parents, and our youth and adults here at Trinity lent so much of a helping hand to make our program what it was last year. This Summer is

no different, and we invite you and your child (6th grade and up) to come and put your desire to serve to fruition. If you or your

youth are interested in helping please contact Deac. Barb.

Ways to volunteer vary from VBS set-up, to chaperoning, helping with food and/or crafts. Also, another great way to help is just simply sponsoring a child, every contribution, big or small, helps out so much.
